

Families,

Later this week, the individual listed as Contact 1 for your child in PowerSchool will receive an email request to complete the 2024-2025 Demographic Updates form. The email notification will come from *PowerSchool Enrollment* with a subject line of **HRCE Student Demographic Update for “Your Student.”**

The email will contain details on how to access the form from within the Parent Portal to review and update your address, contact information, and any essential information for your child.

Please note: although the notification goes to Contact 1, any contact with Portal access to your child can complete the form.

It's critical that we have the most accurate information each year so that we can contact you quickly in case of emergency, send you important school information and to understand your child's health requirements.

You will also be able to complete the Publication of Student Personal Information and Student Work form in the Parent Portal.

School Advisory Council - We are looking for a Grade 6 parent and a community member to join our SAC. We meet online, six times a year, for approximately an hour each time. This is a great opportunity to get involved in the school community!

Boys Volleyball Team - We are looking for a Volleyball coach so that we can have a Boys Volleyball Team. The volunteer would need to have (or be willing to get) both a criminal records check and child abuse registry check.

Girls Volleyball Team - Practice is Tuesday and Thursday this week. Starting right after school and finished by 4pm.

Cross Country Team- Practice is Tuesday and Thursday this week. Starting right after school and finished by 3:45pm.

Lockdown Drill - This Wednesday afternoon as indicated in the communication on Friday.

If you have any questions or concerns, please reach out to me directly.

Thank you,

Andrea Doucette
Principal AJ Smeltzer JH

Upcoming dates:
